

Dear Colleagues and Friends,

On behalf of symposium organiser committee, I am pleased to invite you to our '1st Endoluminal & Technology Symposium in Seoul' that will be held on May 3-4, 2018.

This symposium is to bring together the best Endoluminal practices and advanced medical technology. We would be delighted to have you present at this symposium to hear what the medical and technology gurus and researchers have to share about the advancement and the impact on our daily practices. We would also love to hear your thoughts and opinions to this direction.

We look forward to your presence at the 1st Endoluminal & Technology Symposium in Seoul 2018.

Respectfully yours,

Prof. Soo Woong Kim, M.D., Ph.D.
[Seoul National University Hospital]

Prof. Hyun Hoe Kim, M.D., Ph.D.
