

3rd Endoluminal & Technology Symposium

Date: 17(Sat) Oct. 2020 **Venue:** SC Convention, Seoul

Dear Colleagues,

On behalf of the Endoluminal & Technology Symposium organizing committee, we are pleased to invite you to participate in for the **3rd Endoluminal & Technology Symposium 2020 (ETS 2020)** which will be held on October 17th, 2020 in Seoul, Korea.

This conference will bring together faculties of international and regional experts to share their experience and cutting-edge knowledge on Endoluminal and its related technology advancement. We are confident that your diverse experience and extensive knowledge in this field will intellectually stimulate with other participants of the 3rd ETS.

We look forward to seeing you in Seoul!

Respectfully yours,

ETS organizing committee
