

AGENDA

3rd Endoluminal & Technology
Symposium in ASIA

13:50-14:00 **Opening Remark** Sung Yong Cho (Chairman of CLUES & Head of organising committee of ETS)

Session1. Efficient and Safe way of Managing Urinary Stones

Fasciliator: Hyung Joon Kim (Korea)

14:00-14:20 **Evolution of laser lithotriptor; Where are we at?** Sung Yong Cho (Korea)

14:20-14:40 **How to perform endoluminal stone surgeries safely?** Kyungtae Ko (Korea)

14:40-15:00 **How to avoid complications_Part I_Ureteral Stricture** Joon Beom Kwon (Korea)

15:00-15:20 **How to avoid complications_Part II_Infection** Young Eun Yoon (Korea)

15:20-15:40 **Panel Discussion** Panels: Takaaki Inoue (Japan), Bum Soo Kim (Korea)

15:40-16:00 **Timing of conversion from medical therapy to URO-endoluminal surgeries** Min Soo Choo (Korea)

Session2. Various surgical approaches for BPH

Fasciliator: Sung Yong Cho (Korea)

16:00-16:20 **Novel Endoluminal treatment options for BPH** Hyung Joon Kim (Korea)

16:20-16:40 **HoLEP (Low watt vs. High watt)** Dong Sup Lee (Korea)

16:40-17:00 **BipoleP (Basic Cutting Loop vs. HERRMANN VapoEnucleation Electrode)** Lo Ka Lun (Hong Kong)

17:00-17:20 **ThuFLEP_CW / Pulse Type** Sung Yong Cho (Korea)

17:20-17:40 **Robot assisted simple prostatectomy** Yu-Seob Shin (Korea)

17:40-18:00 **Panel Discussion** Panels: Chen Pang Hou (Taiwan), Kyo Chul Koo (Korea)

18:00-18:10 **Closing Remark**
